VILLAGE VOICE

Village's Woodland Garden Calling for Local Donations

By Sue Auerbach

It's time to get back to the garden, if not in the dirt, at least back to the planning stages. Have you been following the Village's woodland garden's progress? It's been a challenge! We lost a lot of woodland plants when the big oak tree in the center of the garden died. But thanks to the efforts of our Village Forester, Chuck Stewart, a new woodland has been planted. He contracted with Connor Shaw of Possibility Place Nursery to plant about 20 new oaks in the garden, including Swamp Oaks, Bur Oaks and White Oaks. This spring we'd like to replace some of the deer-resistant native plants we lost, and we're looking for donations from our own Riverwoods woodlands. If you have any ferns, Blue Cohosh, Baneberry, Mayapples, Virginia Bluebells, Celandine Poppies or leeks, and would consider donating some of them to our garden, we'd greatly appreciate your gift.

Even non-native deer-resistant perennials could be useful. Please call Sue Auerbach at (847)945-7898 if you have any to share and we'll let you know if they'd work in the Village garden. Thank you!

Village Clean-Up Day and Neighborhood Barbeque May 15th

Mark your calendars for Saturday, May 15th to join your neighbors and friends for this annual event. Afterwards, refreshments await everyone who gathers at Village Hall for a free neighborhood Barbeque. Come on out, catch up with your neighbors on a beautiful Spring day. If you'd like to volunteer to help, contact us at the numbers below.

Why are my Real Estate Taxes so High?

Dear Residents:

I get many calls from residents all asking the question, "Why are my real estate taxes so high?" I'm sure this is a question of vital interest to all. Less than 2% of your tax dollar goes directly to the Village of Riverwoods. The tax levy received by the Village of Riverwoods in 2002 was \$295,712. This money goes to the police fund. The cost of running the police department is more than twice that amount and the difference is being made up from grants and corporate contributions.

The reason we organized our own Police Department three years ago is that the Village is paying about as much as we would have paid if we had stayed with the Lake County Sheriff's Police. However, if we had stayed with Lake County, we would not be able to get corporate contributions or grants and we would be operating each year with a \$300,000 to \$400,000 deficit. I feel confident in stating that the Village Board's decision to form our own Police Department was the right decision not only financially, but served to best protect our Village residents.

The rest of your real estate taxes goes to school districts, Lake County, Vernon or Deerfield Townships, Forest Preserve etc.

In my next letter, I will discuss the sources of Village revenues other than real estate taxes.

Now that winter is almost over, we'll all be welcoming spring. I look forward seeing all of you at the spring clean-up and the plant sale and barbeque at the Village Hall on Saturday, May 15th.

Sincerely,

William S. Kaplan, Mayor

Potpourri from the Building Department

By Russell Kraly, Director, Community Services

Hope everyone is staying warm and spring is right around the corner.

I've had some phone calls about what's happening on the northeast corner of Deerfield and Saunders Roads. We've put up a new community Bulletin Board to provide us with another way to get the information about important Village events out to everyone. We've also been clearing the land of Buckthorn, and in the spring we'll attack the mustard plants.

At the last Board Meeting, a contract was awarded to RJ Underground, Inc. for the installation of the revised SSA#20 Water Main. This project should be underway by the time you read this, and completed by early summer. If you live in an area that doesn't have water and you and your neighbors would like water, give me a call and we'll see if it's available and what needs to be done to get it to you.

If you own a well and haven't had your water tested in a couple of years, you might want to do so. You can do this by contacting the Lake County Health Department - Division of Environmental Health. They have three

continued on page #4

offices in Lake County; Waukegan Office is (847) 377-8020; in Lake Villa at (847) 356-6222 and in Wauconda at (847) 984-5000, and they will give you directions. You can also find numerous testing labs listed in the yellow pages for you to contact.

Last but not least, spring is coming. Please clean out your culverts and ditch lines of leaves and debris. The rainwater is coming and we don't want people getting flooded because of a blockage somewhere that could have been avoided. On your home, make sure your gutters and drain spouts are cleaned and running, especially for those of you who have a flat roof. Water ponding on your roof will add a lot of extra weight to the structure and also cause possible leaking and damage to the interior of your home.

New Credit Card Fraud Scam

By Chief Morris Weinstein

The victim receives a call from "Visa" and the caller identifies himself as calling from Security and Fraud Department at Visa, giving his name and a badge number. He states that the victim's card has been flagged for an unusual purchase pattern and he is calling to verify. He states this would be on your Visa card issued by xxx bank. He asks, "Did you purchase an Anti-Telemarketing Device for \$497.99 from a marketing company based in Arizona?" When you say "No," he continues with, "Then we will be issuing a credit to your account." "This is a company we have been watching and the charges range from \$297 to \$497, just under the \$500 purchase pattern that flags most cards." "Before your next statement, the credit will be sent to" (and he gives you your address and asks if that is the correct address. The caller continues. "I will be starting a fraud investigation. If you have any questions, you should call the 800 number listed on your card and ask for Security. You will need to refer to this Control #" and he gives you a 6-digit number. The caller then says he needs to verify you are in possession of your card. "Turn the card over and there are 7 numbers; not the first 4 but the next 3 are the security numbers that verify you are in possession of the card." These are the numbers you use to make Internet purchases to prove you have the card. "Read me the 3 numbers." Then he said, "that is correct, I just needed to verify that the card has not been lost or stolen and that you still have your card." "If you have any questions do not hesitate to call." The victim did have a question and called back within 20 minutes. The "real" Visa Security advised her she had been scammed and that in the last 15 minutes a new purchase of \$495 was put on her card. The victim also received a call from Master Card with a word for word repeat of the Visa scam.

(PLEASE NOTE: Although we have tried, we have been unable to verify this specific scenario with VISA fraud investigators. However, the scam is plausible and worth bringing to your attention.)

Theatre in the Woods is on the Move Again

By Sandy Sagan

Theatre in the Woods has returned to the woods – and to Riverwoods – for the 2004 season. To celebrate the move, this year's play tells the story of middle-aged parents whose three sons all return to the nest after having flown away for good – or so their parents thought. Sound familiar?

Since its opening season in the lovely wooded setting behind the Village Hall (now the home of our police department), the theatre company has performed at Ryerson Conservation Area and at Zion Lutheran Church in Deerfield. This year performances will be indoors at the best location yet – Estonian House in Riverwoods, off

Milwaukee Avenue, just north of Deerfield Road.

According to Artistic Director Donna Lubow, Estonian House is “a wonderful venue for us.” Stage Two performed there for a few years and when we found out they left, we arranged to rent the space for our theatre. It's air-conditioned, has plenty of seats, a nice area for concessions and box office, and even the possibility for dinner theatre, if we want. We're very excited about this move.” Plans are under way for this summer's production and for possible children's theatre productions during the 2004-5 season.

Show Selected, Auditions Set, Help Wanted

This summer's play, Lawrence Roman's delightfully wise and witty comedy “*Alone Together*” will be directed by Donna Lubow and produced by Sandy Sagan. Samuel French, Inc., says of the play: “Remember those wonderful Broadway comedies of the fifties and sixties? This play by the author of “*Under the Yum Yum Tree*” is in that tradition. “*Alone Together*” delighted audiences on Broadway with Janis Paige and Kevin McCarthy playing a middle-aged couple whose children have finally left the nest. They are alone together – but not for long. All three sons come charging back home after experiencing some hard knocks in the real world – and Mom and Dad have quite a time pushing them out again.” The show will be performed August 6, 7, 8, 13, 14, 15, Fridays and Saturdays at 8:00p.m. and Sundays at 3:00p.m.

Auditions consisting of cold readings from the script will be held at Estonian House on Monday, June 7, and Tuesday, June 8, at 7:00p.m., with callbacks on Thursday, June 10 at 7:00p.m. Parts are available for one man and one woman in their 50's, their three grown sons, ages 30, 28, and 19, and one woman, age 18. For information, call (847) 410-8927. Rehearsals will be at Zion Lutheran Church in Deerfield.

Volunteers are needed behind the scenes in the following areas: props, costumes, make-up, set decoration, and construction. Some pay is available for stage crew. We hope to see even more Riverwoods residents involved in planning our season and in fundraising. Please call Sandy Sagan at (847) 945-0585 to discuss how to put your talents to use in the fascinating world of theatre.

Riverwoods Montessori School News

By Lisa Kambich

Along with others across the nation, late winter has found Riverwoods Montessori School students celebrating National Montessori Week. Some of the activities that the

children enjoyed included: acting out a play about Dr. Maria Montessori-her life and work worldwide, drawing pictures of favorite Montessori materials and, experiences, creating timelines of Dr. Montessori's life, and making peace poles in remembrance of her dedication to peace education. During the weekend, Montessori educators came together to learn new things and exchange ideas with colleagues at a regional conference sponsored by the Association of Illinois Montessori Schools.

The annual "Evening of the Arts" social/fundraiser was enjoyable for all involved. Students of all ages worked together to create beautiful pieces of painted furniture and other works of art. Some of the items were presented at the live auction, along with fine art from Ross Galleries; other items went to bid along with a variety of goods and services during the silent auction. Proceeds from the event went toward the art scholarship fund and for supplemental materials and experiences.

In addition to the outings planned by the elementary students to extend their studies, a number of specialists came to the school to offer on-site special experiences. Highlights include the world dance series which features Artistic Director Lane Alexander and performances of the Chicago Human Rhythm Project, as well as members of the renowned Trinity Irish Dancers.

The Chicago Rhythm Project features the roots and rhythms of American tap dance. After the dance performance, the second portion of the program has the children up on their feet following Mr. Alexander in a dance class! Likewise, the Trinity Irish Dancers will help to bring in St. Patrick's Day with their performance of traditional Irish dancing. They dance with the children and teach them a simple jig. Seeing all these performers dance is extraordinary - being able to dance with them is an experience of a lifetime!

Currently registration for both the summer "country camp" and 2004/2005 school year Montessori pre-school and elementary programs is being accepted. Call Mrs. MacDonald, director of admissions, at (847) 945-8661 for further information.

Sunday, June 13th is Riverwoods Family Day!

Tamarak Day camp is once again the site of our day of fun for the family. Want to get to know more people in Riverwoods? Meet new friends? Learn more about our community's clubs and businesses that support our events? Or even if you just want to have fun with your family, please come!

Activities for all ages include: Swimming, field sports, basketball, dancing, performers, facepainting, art/crafts and more!

We will have more information as the day approaches. Look for our signs and postings in the upcoming Village Voice. If you are a teenager and would like to volunteer your time for the day, please contact Jodi Kahn at (847) 236-1632.

45th Annual Arts & Riverwoods

The 45th annual Arts & Riverwoods art show will be held Saturday and Sunday, September 11th and 12th, 2004. Although it maybe too early to mark your calendars, it's not too early to start planning this terrific event. We are looking for Chairpeople to handle Staging (as you may know, Cal Johnston moved away this year after doing the job admirably for a number of years), Traffic, Marketing and Advertising, along with help in other key areas. We really need people to step into these positions, because without your help, the show will not go on. We had a really successful show this year and it would be a shame to end Arts and Riverwoods after such a long time.

This is a wonderful opportunity to work with and get to know your fellow neighbors and community leaders as well as be apart of a fabulous event that has brought our community together for so many years. For more information, please call Leslie Ames at (847) 948-9003.
