

**LIST OF CERTIFIED CONTRACTORS FOR ECOLOGICAL COST-SHARE PROGRAMS**

On February 28, 2018, the Village of Riverwoods sponsored a “Contractor Certification” workshop. The following Contractors attended the workshop and are considered certified to implement the Village’s cost share programs. You are required to use one of these certified contractors to perform cost share work.

The following general selection criteria should be considered when hiring a certified contractor:

- Knowledge of the local ecology and woodland management.
- Obtain proposals from more than one certified contractor to compare pricing.
- Proper insurance coverage (copy of the contractor’s Certificate of Insurance on file with Village).
- Valid Herbicide Applicator’s License issued by the State, and a copy on file with the Village.
- Tree contractors should have a Certified Arborist on staff.
- The contractor must have proper burn training if implementing a prescribed burn.
